To whom it May concern,

I am reaching out to provide my recommendation for Trevor Kansaki, who I've had the pleasure of managing over the prior years. Trevor's worked under my direct supervision as a line cook/ kitchen team member at Buffalo Wild Wings for over the last 4 years. He's currently the longest tenured employee on our staff, subsequently making him one of our most knowledgeable as well as reliable.

Trevor's dedication and determination is incomparable to his peers, almost like a rare commodity. He paid for his entire college tuition, solely by working 30 plus hours minimum a week. He's extremely driven, intelligent, focused, and maintains high integrity with every situation and scenario. Trevor rarely admits defeat and would never leave a fellow team member behind, instead he chooses to take the road less traveled, ensuring to get the task done, no matter how big or small. Mr. Kansaki has also shown the ability to elevate his career by becoming a certified trainer for Buffalo Wild Wings and has successfully trained over 30 plus line cooks to be proficient or better in their roles.

If you would like additional information about Trevor Kansaki please don't hesitate. You can reach me at telephone number 817-718-4786, or by email at nboston24@gmail.com

Sincerely, Natasha Boston
